

*“Lively and informative!”*

CNN MORNING NEWS

*The Program for Better Vision:  
How To See Better in Minutes a Day!*

by Martin A. Sussman

**Now the world's #1 best-selling  
vision improvement audiotape system is a book!**

**A SELECTION OF THE ONE SPIRIT BOOK-OF-THE-MONTH CLUB**

- Learn how to see better without glasses or contacts.
- Learn simple exercises to relieve eye strain and headaches.
- Learn what to do when the your eyes are hurting at the computer.

Let “vision improvement guru” (*Computer Shopper*) and author Martin Sussman show your listeners how they can simply and easily regain lost vision and reduce – or eliminate – their need for glasses or contact lenses.

**SUSSMAN WILL DISCUSS THE MIND/EYE CONNECTION  
AND TELL YOUR LISTENERS:**

- How to use glasses to help their eyesight *improve*.
- Why they *don't* have to start wearing glasses when they turn 40.
- A home *vision test* listeners can take to see how their eyes could benefit from regular exercise and relaxation.
- Vitamins and minerals that can help cataracts, macular degeneration and glaucoma.
- Top ten habits to take care of their eyesight during the day.

Over the past 20 years, Martin Sussman has been criss-crossing the U.S. and Canada showing people – through one-day workshops and weekend EYECLASSES seminars – how they can see better without glasses, contacts, drugs, or expensive surgery. The founding director of the Cambridge Institute for Better Vision, he is also co-author with Dr. Ernest Loewenstein, Ph.D., O.D., of *Total Health at the Computer* (1993, Station Hill Press).
